The AI Automation **Roadmap**

Automate your Lead Generation, Lead Nurturing & Lead Conversion

Custom AI Automations

Personalized solutions tailored to your exact business problems

1 on 1 AI Consulting

Weekly 1:1 sessions with Sohum – your in-house AI expert

Start Small. Prove Value. Then Scale.

MVPs first, so you see results before committing long-term

Clear step-by-step framework to make AI work for your business

How I Work

From strategy to implementation

Every system I build must:

- ◆ Save at least 10 hours/week
- ◆ Increase revenue by min. 10%
